Sheraton River House. Where Miami meets the world.

The Sheraton River House is a business-resort hotel with its own unique sense of style. And its own special character created by the outdoor magic of Miami and the cosmopolitan flavor that our location, within minutes of Miami International Airport, affords. Here, overlooking a picturesque stretch of the Miami River and a championship golf course, in a setting that resembles an elegant country club, one would think that the nearest airport was miles away. Instead of a mere two minutes. That's why it's not unusual to see suntanned guests in tennis shorts rubbing elbows with flight crews fresh in from Europe. Or South American businessmen having lunch at a table in Daphne's next to several Miami Dolphins. Or the president of a major international corporation reading over the speech he will deliver later at a banquet meeting in the Galleria Ballroom while his wife relaxes a few feet away in the Jacuzzi at the outdoor pool.

It's little wonder, then, that the Sheraton River House is so well known in so many places. Because so many people from all over America and all over the world stay here.

To these people, Sheraton River House has become "our hotel in Miami." Because the Sheraton River House is really where Miami begins.

A convenient place to depart from. And come back to.

When you stay at the Sheraton River House, you can be just about anywhere in Miami or Miami Beach before you know it. We're 5 minutes from Coral Gables. 10 minutes from the Port of Miami. 5 minutes from the Orange Bowl. 8 minutes from downtown Miami and the Brickell Avenue Financial District. 15 minutes from Miami Beach and the Convention Center. Minutes from Jai Alai, the Tracks, Decorator's Row, the University of Miami, the Medical Center, Coconut Grove, Key Biscayne and so on. But then, we also have so much going on right here, you may not want to go anywhere else.

Every room is a resort.

When you look out the window from your room you'll be pleased to note that you will not be looking at another window.

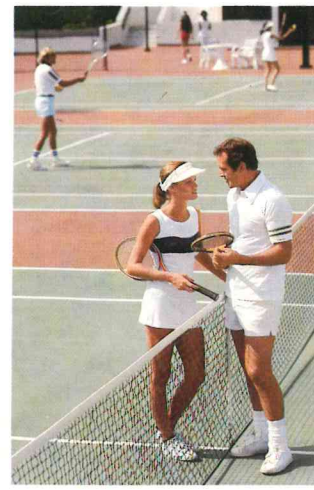
Because the Sheraton River House is surrounded by open space. And trees. And water. And long lush green fairways directly adjacent to the hotel. And a sense of the outdoor freedom Miami is famous for. You are not packed in shoulder to shoulder between other hotels and hi-rises. You're in your own private resort world. Plus, the rooms themselves add to the feeling of openness and free-flowing space. And our rooms are so well sound-proofed, you'll be amazed at how peaceful it is, even with the airport so nearby.

We have 408 superb over-sized plush rooms and bi-level suites, each with wide screen color T.V., AM/FM radio and individually controlled air conditioning. Our six unique bi-level suites are absolute knockouts. Each with winding staircases and built-in bars that are great for entertaining. We also have luxurious parlors and hospitality rooms. And a lobby that's elegant and casual at the same time, so you can sit back comfortably and chat about business matters over a refreshing drink.

Continental Towers. An even nicer place to stay.

Continental Towers is a select group of especially luxurious guest rooms located on the top floor of the hotel, and is the highest expression of Sheraton taste for those who seek and demand the finest in accommodations, service and facilities.

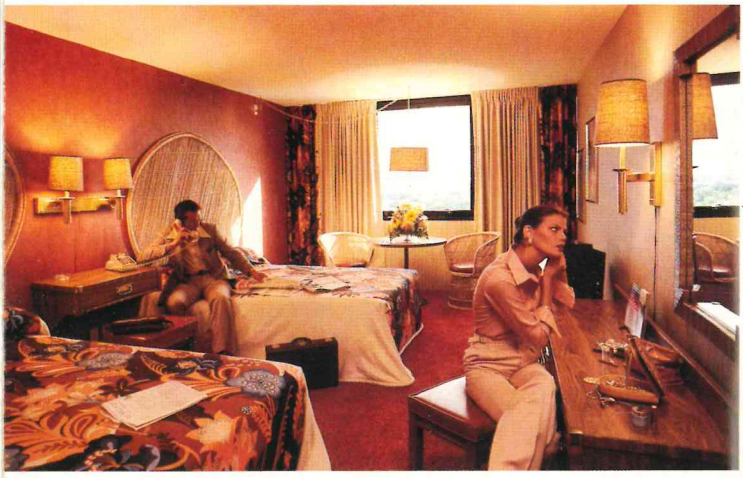
Continental Towers is an integral part of the hotel, yet set apart to provide a private club atmosphere and a unique array of services available only to guests of Continental Towers. With special touches like Continental breakfast served in your room, the morning newspaper at your front door, express check in/check out, a private receptionist to help with any details with which you may need assistance and many other tasteful touches.

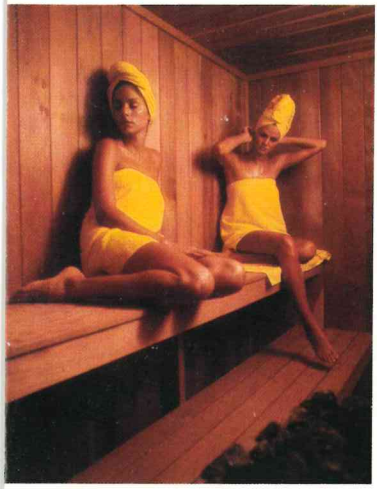


So when you stay with us, you not only stay at one of the most convenient and beautiful business-resort hotels in Miami, you also stay at one of the most accommodating. Because Sheraton is another name for service.

From a set of singles to a setting for 500.

Naturally, we have our own private tennis courts on premises. Three to be exact. Each with an all-weather composition surface and lit for night play. We even have our own fully equipped pro shop. And a full time pro to teach you the basics or just help you brush up on your backhand. Or, if golf is your game, we're next door to a beautiful 18 hole championship golf course.





We also have a separate men's and women's health club, each fully equipped with a sauna and exercise equipment room. An oversized outdoor pool and Jacuzzi. And a parcourse jogging trail.

And with our unique location on the Miami River, you're just minutes away from a day of deep-sea fishing, water skiing, snorkeling and other water sports.

And we have 17 expansive and flexible meeting and banquet rooms totaling 14,000 square feet accommodating exhibits, conferences and banquets for up to 1,000 people. And expert sales and catering personnel ready to meet your every need.

Each of these rooms is enhanced by original works of art or fine reproductions of the world's masters, from Calder to Chagall to Picasso. The Galleria, our grand ballroom, is extremely flexible and can be readily adapted for every imaginable kind of function.

Immediately adjacent to the Galleria is the Grand Foyer which is ideal for a reception or cocktail party prior to your meeting.

Make a date with Daphne.

Daphne's is a rather sophisticated restaurant and lounge that's become something of a small legend among our guests and the residents of Miami who know what's going on around town.

Because they know that the food at Daphne's is truly superb. With thick succulent steaks and juicy slabs of prime rib.

Imaginative salads. Fresh daily seafood. And specialty dishes like tantalizing Veal Oscar or a perfectly prepared

Rack of Lamb or the best Chocolate Mousse Pie you've ever tasted. The outstanding and attentive service is offered by our truly delightful Daphne Girls, each with a beauty and particular charm of her own. And each stylishly dressed with a fashionable flair that suits her individual personality. The decor is dramatically different with authentic stained glass accents, original works of art, plus leather chairs and an atmosphere that's out of this world.

And when things are just beginning to wind down in our restaurant, they're just beginning to wind up in our lounge. A gathering place for people to meet. For perfectly prepared drinks, outstanding live musical entertainment for dancing or just plain listening. And the action goes on till the wee small hours.

Or if you're inclined toward something a bit lighter and more relaxed, you'll find the soft sounds of music in our lobby lounge to your liking. It's a bit more intimate. A quiet spot to enjoy drinks and conversation overlooking our sparkling pool area with the Miami River just behind it.

In addition, guests of the Sheraton River House automatically become members of our private Rowing Club, during their stay with us.

The Rowing Club, located on the top floor of the hotel, features a magnificent panoramic view of Miami, and is available to guests for lunch and cocktails Monday through Friday. It also affords you a lovely atmosphere to entertain your friends and clients.

One of America's great business-resort hotels is located in a city that's perfect for both.

Miami has sunshine and Super Bowls, miles of golf courses, countless tennis courts, fabulous fishing, magnificent beaches, horse racing, Jai Alai, dog tracks, great restaurants, fashionable shops, an international atmosphere and just about everything anyone could wish for on a vacation or business trip.

And fortunately, we're close to all of them.

In addition, the Sheraton River House is now the major business-resort hotel in Miami that is closest to New York, Los Angeles, Latin America, Europe, the Midwest and wherever else you might be coming from or going to. Because we're close as can be to Miami International Airport. So the minute you land you're practically checked in.

We look at it this way. You'll probably travel a long way to spend the day in this part of the country. Once you're here, you shouldn't have to travel a long way to spend the night.

Get off to a flying start.

We're just minutes from Miami's main attractions. We have splendid accommodations, outstanding meeting facilities, Sheraton service, Daphne's, tennis, golf, a river and a private resort atmosphere. And we have something that precious few places in Miami can offer: a location that's literally a minute or two from the airport with courtesy transportation provided. So your vacation or business meeting can begin within moments after your plane sets down. It's the Sheraton River House way of getting you off to a flying start.
